

ERIC GALLER

Producer – Creative Director

ERIC GALLER

Producer – Creative Director

Galler has distinguished himself as an innovative producer and a meticulous craftsman of story.

Exploring and shaping ideas for years, his strength and experience is based on a blend of scripted theatrical, network factual, and docu-reality.

He brings fresh creative insights and professional confidence.

Clients include: Discovery Channel, Smithsonian, Science Channel, Animal Planet, Military Channel, TLC, TLC International, Travel Channel, History Channel, A&E, BBC, ABC, USA Network, The Great Courses, Craftsy/NBCUniversal, Slice (CAN), U.S. Aid, The United Nations, and National Geographic.

Portfolio of titles

He designs and builds sets, too.
A ton of dirt and silicon completed this archaeological dig site

WENT SUB ARCTIC FOR Polar Explorations

...and to the moon and back

Galler is innovative and resourceful

A dynamic storyteller

Who's all about the details

Strong leadership and team work

And getting the shot!
